

Island City Assisted Living Celebrates **10th Anniversary** AND NATIONAL ASSISTED LIVING WEEK!

The National Assisted Living Week's theme this year was **"Caring is Essential."** We are highlighting the incredible care provided by essential caregivers in our communities. It is a way to celebrate the dedication of staff, the individuality of residents, and the deep connections formed in these settings. Our celebration was kicked off by receiving the National Center Assisted Living **Bronze Quality Award**. We honored our employees by an Employee Appreciation Luncheon with hand-thrown pizzas by John Halstead, Food Service Director, along with snacks, gift cards and prizes which were much appreciated. Adhering to safety distancing, the residents have enjoyed outdoor visits from family, friends, musical performances, crafts, fortune cookie day and more. A prime rib dinner is planned for next week for the residents and staff to celebrate our 10th Year Anniversary and National Assisted Living Week!
